Attendance

If you wish to take your child out of school during term time, you are required to complete an absence request form at least one month in advance. These are available from the school office and should be returned before booking holidays. Holidays will not usually be authorised during term time. Lower cost of holidays or parent leave dates are not considered an exceptional circumstance for absence. Unauthorised attendance may result in a fine being issued or other legal action being taken.

Please see our Attendance Policy, attached or on the school website for more information.
